4. The Halifax ShareBuilder service and your Halifax ShareBuilder account

- 4.1 You need to be registered for the **online service** in order to open a **Halifax ShareBuilder account**.
- 4.2 The **Halifax ShareBuilder service** allows you to set up an **investment plan** to automatically:
 - (a) subscribe to your **Halifax ShareBuilder account** (“**scheduled subscriptions**”); and
 - (b) purchase investments within your **Halifax ShareBuilder account** (“**planned purchases**”), on a specified day or series of days each month.
- 4.3 You can also purchase whole **investments** (but not fractions of investments) on an ad-hoc basis (a “**real-time purchase**”) within your **Halifax ShareBuilder account** where you have **tradable funds** available in your **Halifax ShareBuilder account** to do so.

Scheduled subscriptions

- 4.4 You may set up a scheduled subscription which must be a minimum monthly amount of £20.
- 4.5 You can choose from certain dates when scheduled subscriptions will be debited from your nominated bank account and the **online service** will show a timetable of your **investment plan**.
- 4.6 We will automatically collect scheduled subscription payments from your nominated bank account according to the **investment plan** set up and maintained by you through the **online service**. If a **subscription day** is not a working day, the scheduled subscriptions will be collected on the next working day.
- 4.7 Where you subscribe by Direct Debit, we usually start the debiting process at least two working days before the **subscription day**. We will not give you any additional notice of this each month.
- 4.8 Where you subscribe by debit card, we usually start the debiting process on the **subscription day**.
- 4.9 **Scheduled subscriptions** can be amended or suspended at any time by using the **website**, subject to you meeting any minimum subscription.

Additional subscriptions

- 4.10 You can make additional subscriptions to your **Halifax ShareBuilder account** at any time by Direct Debit or debit card as set out in Condition 7.3 of the **Share Dealing terms and conditions**.

Planned purchases

- 4.11 We will purchase **investments** as specified by you through the **online service**.
- 4.12 We will start the relevant **deal** on the **investment day** set out in your **investment plan**, or if that **day** is not a working day, on the next working day. If for any reason we are unable to purchase the **investments** on the **investment day** we will do so as soon as practical afterwards.
- 4.13 If we think it appropriate (for example, because of market conditions), we can delay an **investment day** until such time as we think it is appropriate for us to **deal** on your behalf. If we delay an **investment day**, this will be disclosed on the **website**.
- 4.14 You can change your instructions to make a **planned purchase** at any time before the **investment day** on which the **planned purchase** is due to take place.

Dividend Reinvestment Plan (DRIP)

- 4.15 We will not invest amounts of less than £1 in respect of any dividend reinvestment instructions on your **Halifax ShareBuilder account**. Such amounts will be deposited in cash into your **Halifax ShareBuilder account**.

Real-time purchases

- 4.16 You can make a **real-time purchase** by giving us an **order** to purchase **investments** which is separate from your **investment plan**, provided that you have available funds available for that purchase. We will allocate the **investments** to your **Halifax ShareBuilder account** as soon as we have completed the **deal**.

Available investments

- 4.17 The types of **investments** that you can deal in using your **Halifax ShareBuilder account** may be less extensive than for other accounts offered by us. The **investments** which are eligible for the **Halifax ShareBuilder service** can be identified from within the secure area of the **website**.
- 4.18 If, as a result of a corporate action, we receive **investments** which are not eligible within a **Halifax ShareBuilder account**, we will transfer the **investments** directly to your Halifax Share Dealing Account.

Tradable Funds

- 4.19 Unlike other Share Dealing **accounts**, sale proceeds will not become **tradable funds** until the settlement date.
- 4.20 It is your responsibility to ensure that there are **tradable funds** available to us before the commencement of each **investment day** for a **planned purchase** and before we carry out your **order** for a **real-time purchase**. If **tradable funds** are insufficient to cover the whole amount of a **planned purchase(s)** or a **real-time purchase(s)**, we will not carry out any part of the **planned purchase(s)** or **real-time purchase(s)**. This will not affect subsequent **planned purchases** or **real-time purchases**.

Selling investments

- 4.21 If you want to sell all or some of your **investments**, you can give us an **order** to do so via the **online service** in accordance with the **Share Dealing terms and conditions**. You must tell us the number or value of the **investments** or fractions of **investments** that you want to sell.
- 4.22 The proceeds from the sale of **investments** will be paid into your **Halifax ShareBuilder account**.

Fractional entitlements

- 4.23 When we carry out a **planned purchase**, we will, once we know the price of **investments** to be bought, calculate (to six decimal places) the number of **investments** to be allocated to your **Halifax ShareBuilder account** and will allocate them to you as soon as reasonably practicable after we have completed the **deal**. This will result in us holding fractions of **investments** for you.
- 4.24 We will facilitate **deals** involving fractions of **investments** by either buying from you or selling to you those fractions of **investments** as principal.
- 4.25 When selling a fractional holding in an **investment** on your behalf, we will sell a whole **investment** and you will receive the proceeds (less any charges or other money that you owe us) relating to the part of the **investment** held on your behalf.
- 4.26 **Orders** for a **real-time purchase** will only be accepted by us for a whole number of **investments**, and not for fractions of **investments**.
- 4.27 In relation to your **Halifax ShareBuilder account**, condition 12.9 of the **Share Dealing terms and conditions** does not apply. We will hold fractional entitlements for you, rather than disposing of them.

Withdrawing or transferring investments

- 4.28 You may ask to withdraw or transfer your **investments** or **client money** from your **Halifax ShareBuilder account** at any time in accordance with the **Share Dealing terms and conditions**, except that fractions of **investments** cannot be transferred and will need to be sold and withdrawn or transferred as cash.

Separate account

- 4.29 The **Halifax ShareBuilder account** is provided separately from any other share dealing services that we may offer. The facility to combine or offset payments relating to different services is therefore not available to you.
