Home insurance

**HALIFAX**

# A handy guide to your cover

Come on in. Have a good look round. Check out our typical house to find out more about how your insurance works. And how to make sure you're well protected. For all the important details and limits make sure you read the terms and conditions and your policy schedule.

## Things to watch out for

### Take care of your home

Insurance doesn't cover you for the maintenance of your home or routine decoration. Make sure your home is kept in a good state of repair or you may find that the damage has been caused as a result of wear and tear and not something your insurance covers you for.

### When you're away

If you're going away for more than 30 days – say on holiday or into hospital – give us a call. If you or your family won't be living in your home we'll tell you what to do to make sure it's still protected. **Page – 57**

### A storm's brewing

Claiming for storm damage? We consider a storm to be violent weather like strong winds of 55mph or more, sometimes accompanied by rain and/or heavy snow or hail that causes damage to hard surfaces or breaks glass. We'll take into account the condition of your home, as a well-maintained building should withstand all but the most severe weather events. **Page – 22**

### Guests, lodgers, sales and repair people. Who's who?

Your insurance doesn't cover theft by guests in your home. So even if you know friends and relatives well it still makes sense to keep your valuables in a safe place and out of sight. But you are covered for theft by trade, sales and repair people. **Page – 29**

Taking in a lodger? If you decide to share your home with someone other than your family, let us know. We'll tell you what to do to make sure your home stays protected. **Page – 57**

### Simple things to do

- Keep your gutters and drains clear of leaves
- Check your roof for missing or loose tiles
- Have a flat roof checked regularly for wear
- Check bathroom sealant and grout and keep them waterproof and intact.

### Leave things in order

- When your home is unoccupied you'll need to take some precautions.
- Turn off the water, gas and electricity and get someone to check the property regularly.

### Don't forget your garden

Your insurance doesn't cover storm damage to fences, hedges, gates or any contents left in the garden. So if you know bad weather's on the way make sure you secure any contents or move them into a garage or outbuilding.

### Only one excess to pay

If you've got combined buildings and contents insurance and say your boiler bursts upstairs and the water damages the ceiling, sofa and carpet below, you'd only need to pay the relevant excesses on buildings or contents (whichever is the highest) as a single event caused the damage.

### Make it secure

Make sure you securely lock your bike to a permanently fixed structure if you can't lock it away in a garage or outbuilding.

### Need to talk things through or change your cover

No worries. Just give us a call on:

**0345 602 7377**

Monday to Friday 8am – 6pm  
and Saturday 9am – 1pm.

# Protecting your things

Our standard buildings and contents cover protects your home and the things in it. You can choose optional extra covers too.

### Are you protected for things taken out of your home?

You are if you have our optional personal belongings cover. We cover things like rings, watches and laptops for theft, accidental damage and accidental loss.

You'll need to look after your personal belongings of course. Never leave them out of sight – always keep them within reach of you or your family or lock them away.

**Page – 36**

### Got a bike?

If you need protection for your bikes in or away from home you'll need extra cover. Give us a call and we'll sort it for you.

**Page – 38**

### Expensive valuables

In this booklet we refer to the things you call valuables as 'high risk items' and a list of these can be found on page 21. Have you got something worth more than your single high risk limit (see page 10)? Call us to talk about how we can protect it in and away from your home. **Page – 37**

### Standard and optional accidental damage cover – what's the difference?

**Standard** – Our standard buildings and contents insurance covers you for things such as accidentally breaking a sink in your bathroom or a TV falling off its wall mount.

**Optional** – If you have our optional cover for an extra cost you can also claim for DIY accidents like drilling through pipes, accidentally damaging your carpet or if your dog chews the leg of your table.

### Help and guidance online.

You can find help and guidance on protecting your home against floods, winter weather and burglary at [www.halifax.co.uk/myhomeinsurance](http://www.halifax.co.uk/myhomeinsurance)

### Things you should know

#### Got a water leak?

If you have a leak from an appliance or pipe, we don't cover plumbing costs for repairing the leak itself (unless the pipe is frozen).

But we do cover the repair costs for any damage the water has caused to your home. So, if your washing machine leaks and your kitchen floor is damaged, we'll pay to repair or replace the floor. But the cost of fixing the washing machine isn't covered.

#### Damaged one of a set?

Your policy only covers the cost of repairing or replacing the damaged item and won't cover the costs of replacing the whole set. Some examples of what we would repair or replace are:

- a broken sink but not the undamaged matching bath or toilet;
- a damaged armchair, but not the undamaged matching sofa; or
- a burnt kitchen unit, but not the cost of replacing all the kitchen units.

We appreciate every claim is different so we're always happy to talk you through the options to get the best result.

This policy booklet contains details about your home insurance. How it protects your home and contents. And what to do if you ever need to make a claim. It forms part of your contract with us, so please read it together with your policy schedule. Then tuck it away somewhere safe.

# Your policy limits and excesses

It's important that you check your policy limits to make sure they give you enough cover to protect your buildings and contents. Then if you need to change your cover or have any questions about your policy, just give us a call on **0345 602 7377**.

## Excess

- The **excess you** must pay in respect of a claim made under any one of the covers listed in the table below is the amount chosen by **you** and illustrated in your **policy schedule**. Any **excess you** will need to pay in addition to the **excess** chosen by **you** is shown in the table below.
- Please ensure that **you** refer to your **policy schedule** for any **excess** which may apply specifically to your policy.
- If **you** make a claim under more than one cover for the same event **we** will only charge one **excess**.

### ? What does unlimited mean on my policy limit?

When **we** say unlimited **we** mean **we'll** pay the full repair or replacement costs. Any applicable **excess** and the inner limits listed in this table will still apply.

# When you need us

Here's hoping you never need to claim, but if life doesn't go to plan, here's what you need to do and when you need to do it.

## 1

### Before you call us

- You should call the police straightaway if your claim is for theft, riot, a malicious act or vandalism, or accidental loss outside your home. Make sure you get a crime or lost property number.
- Go ahead with any urgent repairs to prevent further damage – like fixing a forced lock or broken window. But give us a call before you repair anything else.
- Have a look at your policy booklet and policy schedule to check your level of cover and have your policy number to hand.

## 2

### When you call us

- We'll guide you through your claim from start to finish.
- First we'll check your details and your identity.
- We'll take the details of your claim – what happened, when, where and details of the loss or damage.
- We'll let you know if you're covered for the loss or damage and any excess that applies.

## 3

### What you'll need to give us

- We'll ask you for a list of everything that's been lost or damaged.
- Keep any damaged goods as we may need to see them – except freezer food when you should make a list.
- We may also ask you for more information to support your claim such as proof of ownership, valuations and estimates. Acceptable proof would be a receipt, invoice, credit agreement, pre-loss valuation or maybe even a photo.

# 4

## How we'll look after your claim

- Depending on the extent and type of damage, we can rebuild, repair, or replace your things, or give you a cash payment.

### A little extra help

If your claim is complicated, say after a flood, we can send a Personal Claims Consultant to visit your home and help you make a list of the damage. They'll be there for you with all the help you need.

- We'll give you advice on what to do next.

# 5

## Helping you get back to normal

- We have trusted suppliers who can repair or replace your lost or damaged items, including electrical equipment, jewellery, bikes and furniture.
- We can also arrange for a trusted company to make structural repairs to your home. And if you can't live there until it's repaired, we'll sort out somewhere else for you, your family and pets to live.

# Extra help all round

Here's the other really useful stuff – who to call for emergency help, where to get legal advice and how to change or cancel your cover.

## What should I do in an emergency?

If **you** have chosen Home emergency cover and it is specified on **your** policy schedule **you** may be able to claim the cost of the **tradesperson**, chosen by **us**, to deal with the **emergency** in respect of the call out charge and any materials necessary.

If Home emergency cover is not chosen, you'll need to pay for the emergency repairs, however if the damage is covered by your policy, you can claim it in the normal way.

The purpose of the 24-hour Home emergency helpline is to give you the assistance you need when emergencies happen in your home. They can arrange for a tradesperson to call at your home to repair any damage to:

- your plumbing, drainage or central heating systems;
- your electricity supply system if it fails;
- damaged roofing, locks, doors or windows to secure your home.

Any legal liability, loss or damage to any property or person arising from the provision or delay of the repair services is not covered.

## How to make a claim on your Home Emergency cover

It is vital that **you** follow these steps to get help and claim the benefits available from **your** Home Emergency cover if there is an **emergency** that is covered by this policy:

- Stay calm. If the **emergency** involves escaping water or electrical faults, turn off the mains supply immediately if it is safe to do so. Major **emergencies** which could potentially result in serious damage or injury must be immediately notified to the public supply authority and/or the emergency services.

### In an emergency

Call this number first:

 **0345 602 7377**

Monday to Friday 8am–6pm and Saturday 9am–1pm.

Or use the 24-hour Home emergency helpline:

 **0345 602 7307**

If **you** suspect a gas leak call the National Gas Emergency line on **0800 111 999**. Gas leaks are not covered under this policy.

It is important to remember that **you** must phone and advise **us** within 48 hours of discovering the **emergency**. Please do not make any arrangements yourself as **we** cannot refund any costs if **you** do not get **our** prior authorisation.

Give **us** as much information as possible about what has happened, so **we** can give **you** advice and arrange the most appropriate help for **you**.

**We** will arrange for an approved **tradesperson** to come to **your home** and deal with **your emergency**. If the **emergency** is listed under ‘What is covered’, **we** will arrange to pay the **tradesperson’s** fees (up to the limits of this policy) direct to the **tradesperson**.

**You** will be responsible for any extra costs, which may or may not be covered by **your buildings** and **contents** insurance policy. If the **emergency** is not listed under ‘What is covered’, **you** must pay all the **tradesperson’s** fees.

**We** must approve overnight accommodation first. Please send any receipted invoices, including **your** policy number within 30 days of the **emergency** to: Halifax Home Emergency, Claims Department, 102 George Street, Croydon CR9 6HD.

# Legal expenses cover

This section applies if **you** have chosen to include Legal expenses cover – this is shown on your **policy schedule**.

In our everyday lives, we all face situations that could require legal help if difficulties arise. A problem with **your** employer; injury that is the result of someone else's negligence; a dispute over faulty goods or services – these are all common issues that may need expert help to resolve.

**Your** Legal expenses cover is designed to provide expert help when **you** need legal support. The Legal expenses helpline is available to **you** 24 hours a day, seven days a week, for legal advice. **You** can call at any time for expert advice and guidance. The Tax advice line is available Monday to Friday 9am-5pm.

Full details of the cover offered are provided below. Details of policy limits are contained in the 'Policy limits and excess table' at the front of this booklet, along with any relevant **excesses you** must pay for any claim.

Please see the Claims procedure and conditions for Legal expenses cover on pages 50-52.

Don't forget, it is important that **you** also refer to the 'Claims conditions' pages 53-56, 'General conditions' pages 57-59 and 'General exclusions' pages 60-61, which apply to the whole policy.

The insurance provided in respect of Legal expenses in this section has been arranged by Halifax General Insurance Services Limited and is underwritten by DAS Legal Expenses Insurance Company Limited.

Important: In the event of a claim, if **you** decide not to use the services of a **preferred law firm**, **you** will be responsible for any costs that fall outside the **DAS Standard Terms of Appointment** and these will not be paid by **us**.

## Words and phrases with special meanings relating to your Legal expenses cover

Whenever the following words and phrases appear in bold in this section of cover they will always have these meanings:

### Appointed representative

The **preferred law firm**, law firm, accountant or other suitably qualified person **we** will appoint to act for **you**.

### Costs and expenses

- All reasonable and necessary costs chargeable by the **appointed representative** in accordance with the **DAS Standard Terms of Appointment**.
- The costs incurred by opponents in civil cases if **you** have been ordered to pay them, or **you** pay them with **our** agreement.

### Countries covered

- For insured incidents 'Contract disputes', and 'Personal injury':
- The European Union, the Isle of Man, the Channel Islands, Albania, Andorra, Bosnia & Herzegovina, Gibraltar, Iceland, Liechtenstein, Macedonia, Monaco, Montenegro, Norway, San Marino, Serbia, Switzerland and Turkey.

The United Kingdom of Great Britain and Northern Ireland, the Isle of Man and the Channel Islands.

### DAS Standard Terms of Appointment

The terms and conditions (including the amount **we** will pay to an **appointed representative**) that apply to the relevant type of claim, which could include a conditional fee agreement (no-win, no-fee).

## Date of occurrence

- For civil cases, the **date of occurrence** is the date of the event that leads to a claim. If there is more than one event arising at different times from the same originating cause, the **date of occurrence** is the date of the first of these events. (This is the date the event happened, which may be the date you first became aware of it.)
- For criminal cases, the **date of occurrence** is when **you** began or are alleged to have begun to break the law.
- For insured incident 'Tax protection', the **date of occurrence** is when HM Revenue & Customs first notifies **you** in writing the intention to make enquiries.

## Insurance period

The period for which **we** have agreed to cover **you**.

## Preferred law firm

A law firm or barristers' chambers **we** choose to provide legal services. These legal specialists are chosen as they have the proven expertise to deal with **your** claim and must comply with **our** agreed service standard levels, which **we** audit regularly.

## Reasonable prospects

For civil cases, the prospects that **you** will recover losses or damages (or obtain any other legal remedy that **we** have agreed to, including an enforcement of judgment), make a successful defence or make a successful appeal or defence of an appeal, must be at least 51%. **We**, or a **preferred law firm** on **our** behalf, will assess whether there are **reasonable prospects**.

## We/us/our/DAS

DAS Legal Expenses Insurance Company Limited.

## You/your

The person who has taken out this policy (the policyholder) and any member of their **family** who always lives with them. This includes students temporarily living away from the **home** and unmarried partners. Anyone claiming under this section of cover must have the policyholder's agreement to claim.

For the definition of 'You' and 'Your' relating to all the other sections of the policy, please see 'Words and phrases with special meanings' on page 22 of this policy booklet.

## What we cover

**We** will pay an **appointed representative**, on **your** behalf, **costs and expenses** for the insured incidents in this section as long as:

- The **date of occurrence** of the insured incident is during the **insurance period** and happens within the **countries covered**; and
  - Any legal proceedings will be dealt with by a court, or other body which **we** agree to, in the **countries covered**; and
  - **Reasonable prospects** exist for the duration of the claim.
- The most **we** will pay in **costs and expenses** is no more than the amount **we** would have paid to a **preferred law firm**. The amount **we** will pay a law firm (where acting as an **appointed representative**) is currently £100 per hour. This amount may vary from time to time;
  - For an enforcement of judgment to recover money and interest due to **you** after a successful claim under this policy, **we** must agree that **reasonable prospects** exist;
  - Where an award of damages is the only legal remedy to a dispute and the cost of pursuing legal action is likely to be more than any award of damages, the most **we** will pay in **costs and expenses** is the value of the likely award.

## What we don't cover

- A claim where **you** have failed to notify **us** of the insured incident within a reasonable time of it happening and where this failure adversely affects the **reasonable prospects** of a claim or **we** consider **our** position has been prejudiced.

## Claims procedure and conditions for your Legal expenses cover

### 1. Your legal representation

- On receiving a claim, if legal representation is necessary, **we** will appoint a **preferred law firm** as **your appointed representative** to deal with **your** claim. They will try to settle **your** claim by negotiation without having to go to court.
  - If the appointed **preferred law firm** cannot negotiate settlement of **your** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then **you** may choose a law firm to act as the **appointed representative**.
  - If **you** choose a law firm as **your appointed representative** who is not a **preferred law firm**, **we** will give **your** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However, if they refuse to act on this basis, the most **we** will pay is the amount **we** would have paid if they had agreed to the **DAS Standard Terms of Appointment**. The amount **we** will pay a law firm (where acting as the **appointed representative**) is currently £100 per hour. This amount may vary from time to time.
  - The **appointed representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.
- ### 2. Your responsibilities
- **You** must co-operate fully with **us** and the **appointed representative**.
  - **You** must give the **appointed representative** any instructions that **we** ask **you** to.
- ### 3. Offers to settle a claim
- **You** must tell **us** if anyone offers to settle a claim. **You** must not negotiate or agree to a settlement without our written consent.

- If **you** do not accept a reasonable offer to settle a claim **we** may refuse to pay further legal costs.
- **We** may decide to pay **you** the reasonable value of **your** claim, instead of starting or continuing legal action. In these circumstances **you** must allow **us** to take over and pursue or settle any claim in **your** name. **You** must also allow **us** to pursue at **our** own expense and for **our** own benefit, any claim for compensation against any other person and **you** must give **us** all the information and help **we** need to do so.
- Where a settlement is made on a without-costs basis **we** will decide what proportion of that settlement will be regarded as **costs and expenses** and payable to **us**.

### 4. Assessing and recovering costs

- **You** must instruct the **appointed representative** to have legal costs taxed, assessed or audited if **we** ask for this.
- **You** must take every step to recover **costs and expenses** and court attendance and jury service expenses that **we** have to pay and must pay **us** any amounts that are recovered.

### 5. Cancelling an appointed representative's appointment

If the **appointed representative** refuses to continue acting for **you** with good reason, or if **you** dismiss the **appointed representative** without good reason, the cover **we** provide will end immediately, unless **we** agree to appoint another **appointed representative**.

### 6. Withdrawing cover

If **you** settle or withdraw a claim without **our** agreement, or do not give suitable instructions to the **appointed representative**, **we** can withdraw cover and will be entitled to reclaim from **you** any **costs and expenses** **we** have paid.

## 7. Expert opinion

**We** may require **you** to get, at **your** own expense, an opinion from an expert that **we** consider appropriate, on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this, **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.

## 8. Arbitration

If there is a disagreement between **you** and **us** about the handling of a claim and it is not resolved through our internal complaints procedure, **you** can contact the Financial Ombudsman Service for help. Alternatively, there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by **you** and **us**. If there is a disagreement over the choice of arbitrator, **we** will ask the Chartered Institute of Arbitrators to decide.

Please refer to page 18 'If you're not happy' for details of **our** internal complaints procedure.

## 9. Keeping to the policy terms

**You** must:

- Keep to the terms and conditions of this policy.
- Take reasonable steps to avoid and prevent claims.
- Take reasonable steps to avoid incurring unnecessary costs.
- Send everything **we** ask for, in writing; and
- Report to **us** full and factual details of any claim as soon as possible and give **us** any information **we** need.

## 10. Fraudulent claims

**We** will at **our** discretion, void this section (make it invalid) from its start date or from the date of the claim, or alleged claim, or **we** will not pay the claim if:

- a claim **you** have made to obtain benefit under this section is fraudulent or intentionally exaggerated, or
- a false declaration or statement is made in support of the claim.

## 11. Other insurances

If any claim covered under this policy is also covered by another policy, or would have been covered if this section of cover did not exist, **we** will only pay **our** share of the claim even if the other insurer refuses the claim.

## 12. Law that applies

This policy is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where **you** normally live. Otherwise, the law of England and Wales applies.

All Acts of Parliament mentioned in this section of cover include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.

## How to make a claim under your Legal expenses cover

### 1

#### What you need to do

As soon as **you** have a legal problem that **you** may require help with, check that **you** have chosen to pay for Legal expenses insurance. If **you** have, call the Legal Helpline on **0345 602 7306**.

Make sure **you** have all the necessary information to hand, including details of any relevant conversations and correspondence.

#### Important

Do not ask for help from a lawyer or accountant, or anyone else, before **we** have agreed. If **you** do, **we** will not pay any costs involved.

### 2

#### What we will do

**We** will ask **you** whether **you** require legal advice or wish to make a claim.

### 3

#### Legal advice or claiming

##### Legal advice:

If **you** require legal advice only, depending on availability, **you** may be put through to a legal advisor immediately or be offered a call back at a time to suit **you**. **We** will provide **you** with initial advice, letting **you** know **your** legal rights, what courses of action are open to **you**, and whether these can be implemented by **you**, or whether **you** need the assistance of a lawyer.

##### Claim:

If **you** wish to make a claim, at this point, due to the complexity of legal matters, **we** will not be able to confirm whether **you** are covered, but **your** claim will be logged and passed to **our** Claims Department. **Our** Claims Department will contact **you** as soon as possible, but at most within 5 working days, unless the matter requires urgent attention such as legal deadlines.

# Claims conditions

These conditions set out what **you** should do in the event of a claim or something happening which may give rise to a claim.

If **you** or your **family** do not follow these conditions, **you** will break a condition of your policy which may result in non-payment of all or part of your claim.

If **you** make a claim under the policy which is fraudulent or dishonestly exaggerated in any respect, **we** will not pay the claim and all cover under the policy will end from the date of the fraudulent act. Please see the 'Fraud' condition on page 57 for more details.

## Reporting a claim

If something happens that causes or may cause a claim, **you** should take any immediate action that is reasonably required to protect **your** property and belongings from further loss or damage. For example, turn off the water at the mains following a leak to prevent further damage or fix a broken window.

- If **you** or your **family** are the victim of theft, riot, a malicious act or vandalism, or if **you** or your **family** lose something away from the **home**, tell the police immediately upon discovery and ask for a police reference number. **You** should then contact **us** as soon as possible.
- If there is any loss of or damage to **personal belongings** or specified items whilst in the custody of an airline or other carrier, it should be reported immediately on discovery to the carrier and if available, **you** should obtain a written report. **You** should then contact **us** as soon as possible.
- If **you** or your **family** discover that a credit card or mobile phone is missing, **you** must tell the credit card company or airtime supplier immediately. **You** should then contact **us** as soon as possible.

- If someone is holding **you** or your **family** responsible for an injury or any damage, **you** or your **family** must not admit responsibility. **You** should give **us** full details in writing as soon as **you** can and send any claim form, application notice, legal document or other correspondence sent to your **family** to **us** straight away without responding yourself first.

- For all other claims, tell us as soon as **you** can. If **you** delay notifying your claim to **us** **we** will not pay more than it would have cost to repair or replace **your buildings** or **contents** had **you** notified **us** as soon as possible.

## Making a claim

**You** are required to provide **us** with any reasonable assistance and evidence that may be required concerning the cause and value of any claim.

Ideally, as part of the initial notification, **we** will need the following details:

- Your name, address and home and mobile telephone numbers.
- Personal details necessary to confirm your identity.
- The policy number.
- The date of the incident.
- The cause of the loss or damage.

- Details of the loss or damage together with claim value (if known).
- Police details where applicable.
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

### Proof of loss or damage

Do not throw away any damaged items before **we** have had a chance to see them, or carry out any non-emergency repairs before **we** have had a chance to inspect them.

**You** must be able to prove and substantiate your loss. To assist with this **we** may request **you** to provide reasonable additional information at your own expense. Examples are:

- original purchase receipts, valuations, invoices, instruction booklets, bank statements or photographs,
- purchase dates of lost or damaged items,
- for damaged items, confirmation by a suitably qualified expert that the item **you** are claiming for is beyond repair.

### How we settle claims

This section details how **we** settle claims under your policy. **We** decide how a claim will be settled.

#### What we pay:

The most **we** will pay for any one event or series of events is the amount shown in your latest **policy schedule**. Details of policy limits are also contained in the 'Policy limits and excess table' at the front of this booklet.

#### What you pay:

**We** will deduct all relevant **excesses** from the figure agreed between **you** and **us** to settle your claim. **Excesses** are shown in your latest **policy schedule**, and details of **excesses** are also contained in the 'Policy limits and excess table' at the front of this booklet.

### How we settle a claim under your Buildings cover, Buildings – Accidental damage optional cover and Matching of items cover:

- **We** will pay the cost of rebuilding or repairing the part of **your home** which is damaged (using a suitable equivalent material wherever possible) but not more than the cost of completely rebuilding it in its original form.
- **We** have the option of giving **you** a money payment instead of repairing or rebuilding **your home**. **We** will either:
  - pay the cost of repairing the damage less an allowance for wear and tear; or
  - pay the difference between the open market sale value of **your home**, prior to the damage and its open market sale value after the damage.
- **We** will not make a deduction for wear and tear or depreciation if the **buildings** are maintained in a good state of repair.

If it is necessary to repair the **buildings we** will also pay for:

- Architects', surveyors' and legal fees where these are necessarily incurred with **our** prior approval.
- Clearing debris, demolishing buildings or making them safe.

- The cost of complying with building regulations, local authority or other statutory requirements, unless, the need to comply with any of them was advised to **you** before the insured damage happened or if the requirement relates to undamaged parts of **your buildings**.

**How we settle a claim under your Contents cover, Contents – Accidental damage optional cover, Matching of items cover, Personal belongings cover, Students belongings cover, Specified items cover, Mobile phone cover and Credit card cover:**

- **We** can either repair or replace any item or make a money payment instead.
- **We** will pay the cost of replacement as new if available or otherwise the nearest equivalent less any discounts obtainable.
- If an item is irreplaceable, **we** will base **our** payment on expert opinion of its value immediately prior to its loss or damage.

**Work guarantee**

**We** guarantee all claims related work done by **our** approved contractors for a minimum of 12 months from the date of completion.

**Theft security**

If there has been a theft, or a theft occurs during the **insurance period** **we** may ask **you** to take reasonable extra precautions to improve the physical security of **your home**, such as installing additional locks or an alarm. If **you** do not agree to implement these improvements, **we** may not be able to continue to provide cover.

**Other insurance**

If **you** claim under this policy for something which is also covered by another insurance policy, **you** must provide **us** with full details of the other insurance policy. **We** will only pay **our** proportionate share of any claim.

**No Claims Discount**

**You** are entitled to a discount on your premium (known as a No Claims Discount) if **you** have not made a claim in the previous **insurance period**.

If **you** do not claim on your policy **you** can accumulate up to ten years No Claims Discount.

If **you** have a No Claims Discount this will be detailed in your **policy schedule**.

Your No Claims Discount will be reviewed at your next renewal – it may be:

- adjusted up, if **you** have not made a claim during the previous **insurance period** and have not yet reached the maximum ten years No Claims Discount; or
- adjusted down, if **you** have made a claim during the previous **insurance period**.

**Important:**

- Your premium may rise even if your No Claims Discount increases, as the amount of your No Claims Discount is only one of the factors that **we** use to calculate your premium.
- The Legal expenses and Home emergency sections are not eligible for No Claims Discount, therefore any claims made under these sections do not affect the No Claims Discount **you** may have on the other sections of your policy.

## Protected No Claims Discount

---

If **you** have not made a claim on your policy for three years in a row and **you** would like to protect the No Claims Discount **you** have accumulated, **you** may be able to do this for an additional premium, depending on your overall claims history.

This protection will allow **you** to claim once in any one **insurance period** without reducing your No Claims Discount.

Call **us** on **0345 602 7377** to find out if **you** are eligible to protect your No Claims Discount.

If **you** have Protected No Claims Discount this will be detailed in your **policy schedule**.

## Rights and responsibilities

---

**We** may need to get into a building that has been damaged to salvage anything that **we** can and to minimise any further damage. **You** must help **us** to do this but **you** must not abandon **your** property to **us**.

If someone makes a claim against **you** or your **family** (or if someone indicates an intention to make such a claim) **you** must not settle, reject, negotiate or offer to pay any amount in respect of this claim without **our** written permission. **We** have the right, if **we** choose, in your name but at **our** expense to:

- Take over the defence or settlement of any claim,
- Start legal action to get compensation from anyone else,
- Start legal action to get back from anyone else any payments that have already been made.

**You** must provide **us** with any information and assistance that **we** may reasonably require about any claim. **You** must help **us** to take legal action against anyone or help **us** to defend any legal action if **we** ask **you** to.

# General conditions

These conditions apply to all sections of this policy.

## Fraud

The contract between **you** and **us** is based on mutual trust and **we** rely on the honesty of **our** policyholders. If **you** or anyone acting for **you** knowingly or recklessly:

- provides information to **us** that is not true in order to obtain cover or cover at a lower premium or on better terms; or
- provides information or documentation to **us** that is fraudulent or dishonestly exaggerates a claim; or
- otherwise acts or behaves fraudulently in relation to your policy;

then cover under the policy will end from the date of the fraudulent act and **we**:

- will not pay any part of a fraudulent or exaggerated claim;
- will not pay any claims arising after the date of the fraudulent act;
- will retain any premium **you** have paid;
- may recover any payments made to **you** or on your behalf and any costs and expenses incurred in respect of a fraudulent claim, whether these payments were made or costs and expenses incurred before or after the fraudulent act;
- may recover any payments made to **you** or on your behalf for any other claims arising after the fraudulent act.

## Changes you must tell us about

**You** must tell **us** if any of the answers **you** gave to the questions **you** were asked when **you** took out your policy change during the **insurance period**. Specifically, **you** must tell **us** before it happens if:

- **You** are going to change address.
- There is to be a change to the number of bedrooms in **your home**.
- **Your home** is to become **unoccupied** for more than 30 days in a row.

- Someone other than **you** and your **family** is going to live in **your home**.
- **Your home** is to be used only as a weekend or holiday home.
- The structure of **your home** requires any renovation or repair which is not routine maintenance or decoration.
- Part of **your home** is to be used for any business purpose other than for use as a home office by **you** or anyone living with **you**.

### You must also tell us as soon as possible if:

- **You** or anyone living with **you** are convicted of a criminal offence (other than for motoring offences) during the **insurance period**.
- Anyone who moves in to **your home** during the **insurance period** has any criminal convictions (other than for motoring offences).
- **Your home** is not in a good state of repair. Examples of when a **home** is not in a good state of repair are incomplete building works, rot, damp, mould, infestation, faulty wiring, inadequate plumbing and roof/chimney damage.
- Any alterations are to be made or extensions are to be added to **your home**.

Because **we** can change your terms or cover to reflect a change from when it happens, it is very important that **you** tell **us** about a change before it happens or as soon as **you** know about it. Once **you** have told **us** about a change, **we** will let **you** know whether **we** can continue your cover and, if **we** can, the terms on which it will continue.

If any of the above changes happen during the **insurance period**, **we** can do one or more of the following to take account of the change:

- Treat your policy as ended from the date of the change meaning that **you** will not be covered after that date.
- Apply different terms to your policy from the date of the change to take the change into account, for example **we** may exclude certain cover from the date the change happened.
- Refuse a claim made after the change or reduce the claim payment.
- Increase or decrease your premium.

## Precautions

**You**, your **family** and **domestic staff** must take every reasonable precaution to prevent or minimise any loss, damage, accident or injury. **You** should keep the property insured by this policy in good condition.

## Renewal

**We** will write to **you** at the end of every **insurance period**.

**You** must regularly check your policy details to ensure that your policy still meets your needs.

As part of **our** commitment to **you**, **we** review **our** home insurance products on a regular basis so **we** can continue to deliver value for money and ensure the best quality. This may from time to time involve changing one of the insurers or the terms and conditions of your cover on renewal. **You** agree that **we** may change an insurer on renewal without seeking your permission to do so.

If **we** offer to renew your policy automatically, **you** give **us** permission to do so on the basis of the renewal premium and policy conditions, details of which **we** will send **you** before the renewal date. If **you** do not wish **us** to do this, **you** can call **us** to let **us** know before the renewal date.

**We** may review your past claims history before offering to renew your policy. Following this review, if **we** offer to renew your policy, **we** may offer **you** a different type or level of cover at renewal. If **we** do not wish to offer to renew your policy **we** will confirm this to **you**.

## Cancellation

**You** can cancel your policy by calling **us** or by writing to **us**.

If **you** cancel within the first 14 days' your premium will be refunded in full, unless **you** have made a claim. If **you** have made a claim, your premium will be refunded after the deduction of an amount to reflect the period of cover **you** have received. This 14-day period starts on the day **you** receive your policy documents or the day your policy starts, whichever is the later.

**You** can cancel at any other time by giving **us** 30 days' notice and **we** will refund any premium **you** have paid for the rest of the **insurance period**, provided it is more than £5.

**We** can cancel your policy by giving **you** 14 days' written notice at your last known address if:

- There is any change in risk occurring which increases the risk under your policy and which **we** are unable to insure;
- There is any event or circumstance outside **our** control that increases the risk under your policy that **we** could not have reasonably foreseen;

- **You** use threatening or aggressive language, violence or aggressive behaviour against **our** staff, contractors or property; or
- **You** fail to provide **us** with information **we** have requested that is relevant to your policy or any claim.

If this happens **we** will refund any premium **you** have paid for the rest of the **insurance period** unless there is evidence of fraud.

Your policy can also end as set out in the 'Changes you must tell us about', 'Monthly premiums' and 'Fraud' wording on pages 57 to 59.

## Monthly Premiums

---

If **you** pay your premium for this policy by monthly Direct Debit from your bank account and **we** do not receive a monthly payment when it is due, this could result in **us** cancelling your policy. Cancellation of this policy will take effect from the date it is paid up to.

**We** will not cancel your policy immediately. In the event that **we** do not receive a monthly Direct Debit payment, **we** will advise **you** accordingly and re-submit the unpaid amount for payment. If your monthly payment is still not made, **we** will write to **you** for the amount due.
